10. No volume or trade type purchases are eligible or may be offered this option unless the company has agreed in writing prior.
11. No further discount, cash, credit or goods of other types will be offered in lieu of this offer.
12. Solar Incentive refers to the financial benefit which can result from creating or assigning the right to create Small-scale Technology Certificates (STCs). To receive the financial benefit of STCs for the installation of a solar water heater or heat pump water heater:
 - It is the Owner of the system at the time of its installation who has the right, under the Act, to create or assign their right to create Certificates to a Registered Agent for the installation of an eligible solar hot water or heat pump. No other person or entity can legally create or assign the right to create Certificates unless contractually agreed.
 - You can create Certificates directly by registering with the Clean Energy Regulator and become an Agent or you can assign your right to create Certificates to a registered Agent such as Rheem Australia Pty Ltd (Rheem) ABN 21 098 823 511. You are not obliged to assign your right to create Certificates to Rheem. If you choose to do so, you will receive the financial benefit either by Point of Sale Discount or after the Certificates have been created.
 - The time at which a water heater is taken to have been installed (date of installation) is the date when it is first able to produce and deliver hot water heated by both solar energy and its booster and is capable of delivering hot water day or night.
 - Rheem will not pay compensation for any variance and reserves the right to change the price offered for Certificates without notification. Rheem will pay their rate for STCs as at the day of receiving the STC Assignment form.
 - The Rheem STC Assignment form and required supporting documentation, with all required information complete and correct, must be received by the Rheem Administration within 11 months of the installation date, in order to allow the creation of Certificates by Rheem, otherwise a financial benefit may not be paid. Certificates must be created within 12 months of the installation date.
 - For information on STCs please visit the Clean Energy Regulator website <http://www.cleanenergyregulator.gov.au/RET/How-to-participate-in-the-Renewable-Energy-Target>
13. Rheem collects Participants' personal information in order to conduct this Promotion. If the personal information requested by Rheem is not provided, the Participant may not participate in this Promotion. The Participant's personal information will be handled by Rheem in accordance with its Privacy Policy which can be found at www.rheem.com.au/privacy. By participating in this promotion, each Participant is consenting to Rheem's handling of the Participant's personal information in accordance with the Rheem Privacy Policy. This use includes the use of the Participant's personal information for direct marketing purposes. Participants may choose to opt-out of the use of their personal information for direct marketing purposes by contacting Rheem's privacy officer either by:
 - a. post to 1 Alan Street, Rydalmere, NSW 2116, Australia or PO Box 7508, Silverwater NSW 2128; or
 - b. email to privacy@rheem.com.au; or
 - c. telephone on (02) 9684 9100.
14. A Participant cannot assign or transfer or purport to assign or transfer to any other person any of its rights under these Terms. Rheem may assign or transfer to a related party any of its rights or obligations under these Terms
